

## DECATUR BANDS

CONNIE WICKLUND  
DIRECTOR OF BANDS  
110 CEDAR ST.  
DECATUR, MI 49045

Dear Parents/Guardians,

The band program is going to NEW YORK CITY! This will occur next school year, **March 31st—April 4th (Sun thru Thurs.), during the first part of spring break!** I have attached a trip itinerary to this packet as well as other information. This is not a mandatory trip so if you or your student does not want to attend, they do not have to, however, the more the merrier!

The total cost will be **\$1150 per person** (students or chaperones) based on 40 participants. Any band student 6-12 is able to attend. It will be great fun and the itinerary is filled with so many great opportunities!

I would like at least five chaperones to travel with us. This is a great bunch of kids and I think it will be very fun and educational trip for them! Also, there are only 55 seats available, so this is a **first come, first served basis**. To reserve your spot, you simply need to make your first payment on time. (If there are open seats after the first payment, you can still join us!) Don't forget that student account money may be used towards this trip. Any fundraisers we do will also go towards the student's band account which also can be used for this trip—the more fundraisers they partake in, the more money they can earn for New York! If you are in need of another New York Information packet, please email me or log on to the band website <http://cwicklund.wixsite.com/decaturbands> to view and print another one.

### Payment Schedule: (Please Mark Your Calendars)

**1st Payment—March 20, 2018—\$192**

**2nd Payment—May 20, 2018 —\$192**

**3rd Payment—September 20, 2018 —\$192**

**4th Payment—November 20, 2018—\$192**

**5th Payment—January 20, 2019—\$192**

**FINAL Payment—February 8, 2019—\$190 (could be more/less based on final numbers)**

*Just a note: If only 30 people sign up to attend the price would be approximately \$1331 per person. If more than 40 attend, it will be LESS than \$1150 a person.*

Please consider this trip! The kids were quite excited when they found out about it! :) I hope that many decide to participate. Remember, the more that participate, the lower the cost and the less that participate, the higher the cost—we have to pay for the empty seats on the bus. If there are fewer empty seats (more than 40) we pay less overall for the trip, if there are more empty seats (less than 40) we pay more for the trip. You can pay at any time (early or a smidge late) as long as the balance is paid by the FINAL payment date. You can also join the trip after the first few payments are made if there are spots open—again, you just need to be paid in full by the FINAL PAYMENT.

If you have any questions, you may contact me via email or phone.  
Musically,

**Connie Wicklund**

## **Purpose**

Formed in the year 2000, The SYTA Youth Foundation (SYF) is the non-profit, philanthropic sister organization of the Student & Youth Travel Association (SYTA®). The SYF established the SYF "Road" Scholarship program in 2002 to award funds to youth who, for various reasons, are unable to afford the cost of their group's travel. Based on the belief that travel is essential to a complete education, it is the SYF's goal to make a positive difference, through travel, in the young lives of our global citizens. Since September 2010 SYF has awarded over one hundred scholarships to deserving youth. Scholarships are awarded based on circumstances and need as documented in the completed application form.

## **How much money is awarded for each Road Scholarship?**

The scholarship amount varies on a case-by-case basis, depending on the cost of specific trips, the demonstrated need of the applicant, and the number of applicants in a given application period. The average Road Scholarship granted is \$600. No more than \$1000 will be awarded to a single student.

## **Who can apply for a Road Scholarship?**

- Any student or youth ages 25 and under
- Applicants must be participating in some form of student/youth group travel, including but not limited to class field trips, youth group or choir trips, and study abroad programs
- Applicants must demonstrate circumstances that prohibit them from participating in the travel program due to financial need.
- Applicants must not be related to a SYTA member or SYF Trustee.
- Applicants must not be a relative of Association Management Group owners or employees

## **How do I apply for a Road Scholarship?**

The student's teacher, school administrator, group leader, or other adult familiar with the student and scheduled trip must nominate a student for a Road Scholarship. Students cannot directly apply for a Road Scholarship

## **MOST FREQUENTLY ASKED QUESTIONS**

### **1. Q: How do young people benefit by traveling?**

**A:** Travel exposes young people to new places, new people and new ideas. Travel brings history lessons to life, gives civics lessons depth, and exposes eager young minds to challenges and situations that they wouldn't otherwise enjoy. Positive travel experiences create well-rounded young people who appreciate the world and the people around them. Most importantly, teachers state that student travel prompts a transformation through which students grow their ambitions to know, learn and explore.

### **2. Q: When do we decide who will be sharing rooms?**

**A:** Your rooming list is due to Educational Tours no later than 60 days prior to departure. We suggest the Group Leader and Students create a sign up sheet as early as possible to decide roommates.

### **3. Q: What type of clothes should I pack for my trip?**

**A:** Make sure to pack comfortable walking shoes, comfortable clothes for the bus ride (especially if you are riding overnight), layered clothing for warmth and remember your performance uniform/outfit if your group is planning to perform. NOTE: Check with your Group Leader for school policies on "proper attire" expected by your school.

### **4. Q: How much luggage is allowed?**

**A:** Whether by bus or by air, each person is allowed one carry-on and one suitcase.

### **5. Q: How can I contact someone on the trip if there is an emergency?**

**A:** You can call our emergency number - (800) 654-4560. We are available 24 hours a day, 7 days a week through our answering service. You will speak directly to someone who will contact our chain of command to handle any situation while the trip is in progress, including emergency messages from home.

### **6. Q: How much "EXTRA" spending money should I bring?**

**A:** The amount of "extra" cash will depend on the length of the trip. A good suggestion is to calculate any meals that are not included on the bus ride and at your final destination. Allow enough cash to cover those meals - approx. \$10-\$20 per meal, depending on the destination. Then set an allowance for souvenirs you may purchase.

**7. Q: Can we take food and drink on the bus?**

**A:** Snacks are a good idea for a long bus ride. Fruit, candy, crackers, granola, etc. are good between meals. Beverages are usually allowed on the motorcoach. However, some bus companies have rules against certain types of beverages (such as dairy products).

**8. Q: Will the motorcoach have a DVD player?**

**A:** Most coaches both a DVD player. Movies are provided by the school/students, but usually need to be approved by the Group Leader beforehand.

**9. Q: Is there a restroom on the motorcoach?**

**A:** Most standard size coaches have a restroom. Drivers suggest they are to be used for emergencies only. If over used, the odor can become unpleasant for those sitting in the back of the bus.

**10. Q: How long is the driver on duty?**

**A:** Motorcoach drivers can be on duty for 15 hours, but can only drive 10 of those 15 hours. Once their shift is up, a relief driver will take over. If you are enroute, a relief driver will be either “bunked” on the motorcoach, or the group will stop to pick up the relief driver. By law, drivers MUST have 8 hours off for rest between shifts. For safety reasons and legal ramifications, these rules must be followed.

**11. Q: Upon arrival at our destination, will someone meet us?**

**A:** You will be met by an Educational Tours, Inc. Tour Manager who will remain with you throughout most of your trip. Their job is to take care of the details such as hotel check in, meal reservations, theater tickets and other activities you have planned. Tour Managers are NOT tour guides – they are problem solvers. They work together with the Group Leader to make sure the trips runs as smooth as possible. A good suggestion is to arrange a meeting with the Tour Manager, Group Leader and Chaperones upon arrival.

**12. Q: How do you safely manage students at the hotel?**

**A:** Tour Managers arrive a day or more before the group and will prepare the hotel. They will have the pay per view channels turned off if possible. However, if the hotel offers cable movie channels, they will not be able to turn them off. All the phones will be turned off in the student rooms for outside calls. Students will still be able to make room-to-room calls.

**13. Q: Will student rooms be spread out all over the hotel?**

**A:** We work with the hotel to make sure they block the rooms as “tight” as possible. Rooms are blocked in such a way as to separate the boys’ rooms from the girls’ rooms with chaperones dispersed in between.

**14. Q: Who guards the student rooms at night after lights out?**

**A:** Private nighttime security is hired exclusively for your group. They are posted every night guarding **only** your rooms. The number of guards will depend on the size of your group. This ensures the Group Leader and Chaperones a restful night so they can stay alert during your trip.

**15. Q: What is an “ETI” Clinic?**

**A:** Educational Tours, Inc. offers clinics which feature performance and skill-building classes for bands, orchestras, jazz groups, choirs, theater groups, and more.

A clinic’s focus is on the fundamentals of music, such as performance and breathing techniques, tone production and warm-ups. We encourage clinicians to motivate students forward in a **positive** manner, while helping them polish both their ensemble and individual performance skills.

Clinicians are chosen for their talent and excellence as music educators from Universities all over the U.S. Most clinics will last an hour and a half and are held at a Music Studio or University.

**16. Q: Is Travel Protection available for purchase?**

**A:** Yes, travelers can purchase travel protection to reimburse the cost of the trip (less the cost of the insurance policy) if the traveler has to cancel prior to the departure date for unforeseen medical reasons. Cancel For Any Reason protection is included as well, but only reimburses 75% of the non-refundable trip cost. Ask your Group Leader for more information. Please direct all travel protection questions to Travel Insured International at (866)684-0218.

**17. Q: Will the buses have outlets and Wi-Fi?**

**A:** Most motorcoach companies have updated most of their fleet to include outlets and Wi-Fi. Although we do reserve coaches with these features for your group, due to motorcoach breakdowns and inclement weather, there is no guarantee that the bus or buses you get will have these features. Prepare to bring a portable charger along just in case. Do keep in mind, even if your bus does have wifi, the service may be limited due to your location enroute or the capacity of users.
